

BSAU ALUMNI ASSOCIATION NEWSLETTER: MARCH 2019

We CAN!

Dear Friends,

Greetings from the Alumni Association!

It gives us immense pleasure to be in touch with you through this newsletter to enlighten you of the various Alumni activities which have taken place across the globe.

**Action without Vision is a nightmare
and
Vision without action is a daydream**

The current new office bearers of Alumni Association are energized to continue to do the good work of all the past office bearers and add measurable value by improving employability and entrepreneurship with conceptualization of new ideas and execution with your continuous support.

One of our new initiatives has been training of selected students on the various aspects viz., Self development, Technical, Professional and Career guidance across all the departments and years. This training programme will be conducted every month for the students to transform them into a well-rounded individual.

It would also be our pleasure to have your thoughts on any other initiatives which could be taken for our Alumni, Students and Society as well.

Please write to us at alumniassociation@crecent.education

Engineering Meet 2018

"The Mistakes Engineers should avoid"

"Knowing others' mistakes will be far more lifesaving than knowing others' success stories. Mistakes are very expensive and can cause loss of money, job and lives. This forum focussed and helped us to learn the possible engineering mistakes, which can happen in the Property Life Cycle (at Contractual, Planning, Construction and Maintenance stages), chaired by a panel of experienced professionals and at the end of the event enriched us with knowledge to avoid these grave mistakes in our professional career and be a winner in our Professional Life."

B S Abdur Rahman Crescent Institute of Science & Technology - Alumni - UAE Chapter convened the 2nd Edition of the historic Engineering Meet at JW Marriot Hotel in Dubai, UAE on 24th Nov 2018 inviting an eminent panel of speakers from various Engineering fields on a topic never attempted by any other engineering event in the Middle East 'The Mistakes Engineers should Avoid' and the panel of speakers were

- ★ Mr. Christopher Seymour, Managing Director - Mott MacDonald Middle East UAE, Topic : Difficulties in Programme Management and Infrastructure Finance
- ★ Mr. Jayaraman Neelamegam, AVP Facilities Management & Real Estate, Noor Bank, UAE Topic: Accessibility in Built Environment

- ★ Mr. Prakash Bhalchandra, Director - Projects, Union Properties, UAE, Topic: Precautions to be Taken at Pre-Contract Stage to Minimize Disputes During Construction Stage
- ★ Mr. Jummakhan Saboorali, Director - MEP - Dubai World Central, UAE, Topic: Mistakes in MEP Design and Performance
- ★ Mrs. Joanah Mozo, Author of: THE PRACTICAL FM / RIDING THE WAVES OF STORM | Trainer | Speaker | Consultant, Topic: The Practical FM
- ★ Mr. Dermot Gallagher, Senior Fire Engineer - Exova Warringtonfire, UAE, Topic: Fire Strategy & Building Assurance Common Mistakes
- ★ Mr. Farhan Ali Malik, Sustainability Manager at Farnek Services LLC, Dubai, UAE, Topic: Faults in MEP Designs, Energy Conservation and Performance.
- ★ Mr. Thajudeen S.N, Structural Engineer at Arif&Bintoak Architects & Consulting Engineers, Dubai. Topic: Possible Mistakes in Structural Design.

The Topics of discussion chaired by Professional Speakers are:

- ★ Mistakes and Possible Errors in Structural Design
- ★ General Mistakes which can complicate MEP Systems and Property Maintenance.
- ★ Mistakes and Issues in Construction Contracts
- ★ Engineering Mistakes at Construction Site Works

The event was found to be very useful to our Alumni with the knowledge shared by the speakers with real life examples of various incidents related to the topic. The event was attended by approximately 110 Engineers, Design Consultants, Property Developers and Facilities Managers from various reputed engineering companies. The audience was so involved in the event that the crowd was present until end of the meet and enjoyed the technical feast from the total programme. The whole program was appreciated by the attendees and the guest speakers. The attendees also requested the event organizing committee of our Alumni to have this event every year as the topic being a million dollar worth and also for the betterment of the Engineering community in UAE. Many Engineers outside our Alumni network also attended the event. It was a very happy moment for UAE chapter to see the total satisfaction of the people who attended the event.

STAFF OF THE MONTH

DR.K.NILAMUDEEN, Dean, School of Law

I entered into the District Court of Nagercoil at the age of twenty five after graduating in Bachelor of Law from Madras Law College as Advocate in the vibrant legal Profession, for a period of one year. I finished M.L. and became the Professor of Law in Government Law College, Trichy and become the President of The Tamilnadu Law Teachers Association and Syndicate Member of The Tamil Nadu Dr. Ambedkar Law University. I wrote a book in Family Law which was released by the then Chief Minister of Tamilnadu Hon. Jayalalitha. After my retirement from the Government service, I joined as Professor of Sastra University, Tanjavur. Recently in the Month of January 2018, I assumed office of the Dean, School of Law, BSA Crescent Institute of Science and Technology.

The Crescent School of Law, is the dream, dreamt by the founder of our prestigious institution and was established in the year 2017 with the objective of providing quality legal education to the students of rural and urban areas. The School offers Five Year BBA. LLB (Hons) and B.Com. LL.B. (Hons) Integrated Programme and the same was approved by the Bar Council of India.

The vision of the Crescent School of Law is to produce promising and credible Law Graduates with potential knowledge and skills to meet the requirements of contemporary times. The present world is global, competitive and complex and the "issues" that are confronting are also on the same span. Hence, the Crescent School of Law contemplates to train young minds with strong fundamentals, sound knowledge and skill-set to deal, answer and fight for just and legal cause.

To translate the above vision the Crescent School of Law came into existence with a mission to spread quality education. Quest for quality in legal education is the cry of the day and the Crescent School of Law has taken the same as its mission.

The School was inaugurated by Honorable Former Judge of Supreme Court of India Justice F.M. Ibrahim Khalifulla on 20th September 2017. The other dignitaries present on the occasion include Justice

K.M. Bhasha and Justice Akbar Ali, the retired Judges of the High Court of Madras and our Chairman Mr. Janab Abdul Khader Buhari. It was a grand function and was witnessed by a large number of Advocates, Educationists, Judicial Officers and Parents of students who are enrolled in first batch.

The School has a sanctioned strength of 120 students each in both streams of B.B.A.LL.B; and B.Com. LL.B., with a total strength of 240. The first batch has 33 students of BBA. LL.B and 19 students of B.Com. LL.B. Classes commenced for First Semester on 23 August 2017 with four core professors for handling Law subjects of which two are Ph.D. holders.

The School is spread in a sprawling campus, amidst picturesque environs on Chennai-Trichy Highway at Vandalur 600048. The School has well ventilated and fully furnished classrooms. The College maintains a very good library with a rich collection of books and subscribes a good number of standard journals both national and international. The School has efficient faculty members, Dr. P.V.NagendraSarma, Prof. Shaheen Khan, Mr. Jeffery Andrew, Ms.AparnaMadhu and Ms. Vakitha Parveen

The School of Law has established a Legal Aid Clinic under the supervision of Dr. P.V.NagendraSarma, Professor, School of Law. The Legal Aid Clinic will be opened during 9am -4.00pm in all working days and also there is a proposal to conduct Legal Aid Programmes in the nearest villages in collaboration with the Legal Aid Authorities. The is with the view to fulfill the spirit of the Preamble of our Constitution which guarantees social, economic and political justice to all people irrespective of caste, creed, religion, race, place of birth and so on.

The School is having a Moot Court hall to train the students in court-craft. Our School of Law has had a humble beginning and started crawling as a baby in this great institution.

SCHOOL OF LAW

Crescent School of Law sponsored by B.S. Abdur Rahman Institute of Science and Technology society was established in the year 2017 with the objective of providing quality legal education to the students of rural and urban areas. The school offers Five year B.B.A.,LL.B(HONS) and B.Com. LL.B(HONS) Integrated Programmes. It has been approved and the letter of consent of Bar Council of India was received on 07.07.2017.

The Vision of Crescent School of Law is to produce promising and credible Law Graduates with potential knowledge and skills to meet the requirements of contemporary times. The present world is global, competitive and complex and the "issues" that are confronting are also on the same span. Hence, the Crescent School of Law contemplates to train young minds with strong fundamentals, sound knowledge and skill-set to deal, answer and fight for just and legal causes.

To translate the above Vision, the Crescent School of Law came into existence with a mission to spread quality legal education. Quest for quality in

legal education is the cry of the day and the Crescent School of Law has taken the same as its mission.

The School was inaugurated by Hon'ble Former Judge of Supreme Court of India Justice F. M. Ibrahim Kalifulla on 20th September of 2017. The other dignitaries present on the occasion were Mr. Justice. K. N. Basha and Justice G. M. Akbar Ali, the retired Judges of the High Court of Madras including the Hon'ble Vice Chancellor and the Then Chairman and the present Pro Chancellor of our Institution Mr. Janab Abdul Khader Buhari. It was a grand function and was witnessed by large number of advocates, educationists, judges and parents.

The School has a sanctioned strength of 120 students each in both streams of B.B.A. LL.B. (HONS) and B.Com. LL.B. (HONS) with the total strength of 240. 8 core professors are there for handling Law subjects of whom 2 are Ph.D. holders. From this academic year 2019-2020 school of Law is planning to start a new course BA LLB (Hons) for which we applied to the Bar Council of India for approving the new course.

SCHOOL OF LAW

Special Lecture by **Adv. Sirajuddheen,** Supreme Court Of India

In order to provide legal skill and art, a special lecture class was conducted on 11.04.2018 and Advocate Sirajudeen of Supreme Court of India spoke on the occasion.

Special lecture on “Fundamental Rights and Duties of Individuals”

A Special lecture was conducted on the topic “Fundamental Rights and Duty” on

18. 9.2018. The lecture was given By Dr.B Gandhi, Dean, VIT School of LAW. He Highlighted the importance of fundamental rights, its relationship with the Directive principles of state policy. He emphasized more on fundamental Duties before claiming fundamental rights because the rights and duties are correlative.

In order to provide justice to the common people and to create awareness among the people to get their justice as per the guidance of Bar Council of India, the School of Law has established Legal Aid Clinic under the Supervision of a Senior Professor. The legal aid clinic will be opened during 9.00 am - 4.00 pm in all working days and also there is a Proposal to conduct Legal Aid Programme in the nearest villages in collaboration with the Legal Aid Authorities. This is with the view to fulfill the spirit of the Preamble of our Constitution which guarantees Social, Economic and Political Justice to all people irrespective of caste, creed, religion, race, place of birth and so on.

The School is having a Moot Court society to train the students to participate in Moot Court Competitions and

to train them in Court Skill and Deliberation. As a maiden attempt, our first year students Sujana and Showkiya were sent to participate in the state level moot court competition conducted by the Bar Association of the Madurai Bench of the Madras High Court in April 2018 and they were adjudged as the young participants of the competition by giving a certificate of appreciation.

The Crescent School of law conducted the International Women's Day. It was a good session and the students expressed their ideas to arrest the crimes against women.

Our School of Law with a humble start is crawling like a baby in this great Institution.
