

BSAU ALUMNI ASSOCIATION NEWSLETTER: ISSUE 9 - MAY 2017

# BSAU ALUMNI ASSOCIATION

## We CAN!

Make hay while sun shines -however, hay catches fire in May in Chennai. The oppressive heat which had started early April is on unabated!! Chennai reels under a heat wave driving its residents to cooler places across the world. The ones in the state like Ooty and Kodaikanal are experiencing chock-a - block situations with vehicle numbers increasing by the day.

For the association, the month of May would be a different kind of chock-a-block. With scholarship requests pouring in immediately after the Plus two results, the sub-committee would have their task cut out in choosing the most deserving candidates. Last year we gave around Rs.2 Lakhs as scholarship and are happy to inform that the students are doing very well both in academics and extra-curricular activities.

“Welcome to the Alumni Association” - the event held for inviting the outgoing students into the Association fold was held on 18 April 2017 where the students were informed the benefits of being a part of the Association. Further, sessions on SUCCESS and CAREER by our distinguished Alumni enlightened students on the way forward in life.

Overseas, the UAE chapter organised the Entrepreneur Development Group of Emirates (EDGE) on the 27th of April which was attended by over 30 participants. Innovative Ideas, Mentoring, counselling, bonhomie, networking the event saw it all. The programme was very special for the young entrepreneurs and for the 'to be entrepreneurs' as their thoughts/ideas were discussed for implementation.

Elsewhere, the ground work for the Inauguration of the ANZ chapter in the month of September 2017 has started with over 30 alumni confirming their participation.

We request you to pass the word around to all your alumni contacts who reside in Australia and New Zealand to help them participate and make it a grand success.

Thank you for your time and looking forward to being in touch,

The Executive and Advisory Committee

BSA Crescent Alumni Association

# EDGE BUSINESS NETWORKING PROGRAMME

BSA Crescent University Alumni - UAE Chapter conducted a Business Networking Meeting - 3as part of the EDGE (Entrepreneurship Development Group of Emirates) Initiatives on 27th April 2017 at Carvan Restaurant in Abu Dhabi inviting existing Alumni Members & Entrepreneurs, Banking and Insurance, Senior Managers in Organizations and Business Consultants. This Networking Program is designed to provide the following benefits to the Alumni Entrepreneurs and Business Owners,

- To Gain Knowledge on Business Related Skills
- To Develop Strong Business Community within Alumni.
- To Promote Crowd Sales and Increase Sales.
- To Explore Business Within UAE and Cross Country Trade.
- To Share New Opportunities and Work Together for Success.
- To Sharing Market Knowledge, Threats and Work Together to Mitigate the Risks.

The Following Subjects were presented and discussed during this Business Networking Meet,

- Banking and Islamic Finance by Mr. Jafer Ali from M/S. Access Training Institute - He is a veteran International Banker with over three decades of experience in International Banking and Finance and he worked in HSBC, ANZ Grindlays Bank, Abu Dhabi Islamic Bank and Dubai Islamic Bank where he held the position of Vice President, Corporate Banking.)
- Importance of Business and Trade Insurance by Mr. Shreedhar - Sr Manager from M/S. Gargash Insurance Broker in Dubai.
- Networking within Alumni and Exploring Business Potentials.
- Participants shared information on current market trends and ways to work together for business success.

It was attended by 34 people and the programme was felt very useful by the attendees and gain knowledge on Business Banking and Islamic Finance and also on the importance of Trade Insurance for Safe Business. The next Business Network Meeting is planned to be conducted in Dubai by Inviting Trade Experts and Sr Professionals for making it useful to our Alumni members.

# ECE ALUMNI CONNECT 2017

Department of ECE organized Alumni Connect 2017, a meet exclusively for the Alumni of ECE Department on 29th April, 2017 (Saturday), at Seminar Hall 1, BSACU Convention Center. Alumni from various batches participated in the meeting along with the faculty of ECE Department. The meeting commenced around 10:30 AM. The minutes are as follows

❖ Dr. C. Tharini, HOD, inaugurated the meeting by welcoming the participants, and thanking the alumni members for participating in the meeting despite the long holidays, and their busy schedule. She also briefed that the alumni can help the department by giving guest lectures, providing feedback about curriculum & Syllabi, industry institute interaction, offering one credit courses.

❖ Dr. S. Kajamohideen, Dean (SECS) addressed the meeting, where he emphasized the importance of Alumni network for an institution and the individuals for mutual benefits. He also highlighted the transformations and the up-gradation the department has undergone in the recent few years, to the Alumni members. The highlight included Students R&D activities in the A.P.J Abdul Kalam Innovation Center, initiatives towards the Industry supported labs, consultancy activities in the department, Green Campus Initiatives, and more.

❖ Each of the alumni members then introduced themselves to the group with their field of professions. Some of them mentioned the faculty who handled subjects for them during their course

Mr. Fawaz Hussain, Talk about Solar Energy – Alumni Connect 2017

of study. After that the meeting had a short break for refreshment, where snacks and juices were served.

❖ After the short break Dr. P.K. Jawahar, Dean (Students) addressed the alumni, where he mentioned the involvement of Alumni in the academic process of the institution. He communicated that Alumni who have expertise in any particular field are invited to deliver guest lecture on those fields for the students. He also announced that the Alumnus who had industrial experience of more than 5 years in core fields can deliver 1 credit courses in respective areas. He also informed about the internship and industrial project scheme for the UG Students, with which our alumni in R&D activities can also benefit from our students. Alumni can play key roles in the academics by being part of the Board of Studies and Curriculum revision committee.

Group Photo – Alumni Connect 2017 (29.04.2015)

**Dr. S. Kaja Mohideen Addressing during Alumni Connect 2017**

❖ Interested alumni are then invited to give a short talk. Mr. Fawaz Hussain., M.D., Daystar Solar Ltd., (2002-2006 Batch), gave a short talk about the Solar Energy harvesting and how public can benefit from the Generation Based Incentive (GBI) scheme provided by MNRE, using Solar energy harvesting and net-metering. He is interested to deliver Guest lectures and joint workshops on Solar Implementation, Energy Audit & Analysis and Entrepreneurship Development.

❖ Mr. Arun Rajiv Kumar, Tech. Analyst, Infosys Ltd., talked about the invasion of Cloud and Bigdata in almost all forms of computing.

❖ Mr. R. Sudarshan, Cinematographer & Director, pointed out the importance of the field of electronics and communication in media. He said despite being in a completely different profession from what he studied, he always had been considered with supremacy by his peers throughout his career because he is an ECE graduate.

❖ After some mutual discussion with the group, the meeting was concluded by Mr. H. Hasan Babu, Assistant Professor (Sr. Grade), by delivering the Vote-of-Thanks and he requested the Alumni to keep the department updated with their professional ventures and career. The meeting was then adjourned for the lunch, which was served in our University Canteen.

❖ Post lunch the Alumni visited the Department, Labs and the campus accompanied by the faculty

and student volunteers. Mr. Fawaz, visited the Solar Panel installments on the terrace of CBS block and further explained how the electrical energy it tapped from the panels referring to the installed equipments and various configurations of solar panel arrays.

### **The list of Alumni Participated in Alumni Connect 2017:**

- **Fawaz Hussain (2002-2006 Batch)**,  
Managing Director, Daystar Solar Ltd.
- **Boopalan J, (2009-2013 Batch)** Technical Lead, Cognizant Technology Solution Ltd.
- **Aashiq Meeran A, (2000-2014 Batch)**  
Project Management Analyst, AstraZeneca.
- **Ahamed Iqbal, (2003-2007 Batch)**,  
Service Leader, AstraZeneca.
- **Umyal Sundaram S, (2010-2014 Batch)**  
Sr. Systems Engineer,  
Cognizant Technology Solution Ltd.
- **Sudarshan R, (2010-2014 Batch)**,  
Cinematographer & Director,  
Shadow Media Productions
- **Sanjana. S, (2010-2014 Batch)**  
Programmer Analyst,  
Cognizant Technology Solution Ltd.
- **Pranav Varshan S R, (2011-2015 Batch)**  
Database Analyst, Inautix.
- **RM. Meiyappan, (2011-2015 Batch)**  
Systems Engineer, Infosys Ltd.
- **Anish Kumar G. (2012-2016 Batch)**,  
Application Engineer, OptiThought
- **Karthikeyan K, (2008-2012 Batch)**,  
Assistant Manager (Projects),  
Godrej & Boyce Manufacturing Co. Ltd.
- **Arun Rajiv Kumar, (2008-2012 Batch)**  
Technical Analyst, Infosys Ltd.
- **Bhavani S. (2005-2009 Batch)**,  
Sr. IT Analyst, Tata Consultancy Services.
- **Ms. Nivethitha Kannan, (2011-2015 Batch)**  
Software Engineer, National Instruments.
- **Mr. S. Abdul Hakkim, (2010-2014 Batch)**,  
Technical Engineer, Infosys
- **Mr. Mustafa Hussain (2011-2015 Batch)**,  
M.S. (Networks & Systes),  
Swinburne University, Australia.
- **Dinesh Kumar RN.,(2012-2016 Batch)**,  
Self employed.

# WELCOME TO ALUMNI ASSOCIATION

The Alumni Association conducted an interactive session with the Final year students of the University on 18 April 2017.

The students were introduced to the activities of the Alumni Association, also the students were told about the benefits of being actively involved with the association.

The members of the Executive Committee of the Association also gave motivating talks to the students and encouraged and wished them all the best.

During the program the Alumni Association along with final year students presented a memento Dr.P.M.Usha Rani, Professor of English, for her dedicated service and her great contribution to the University and Students.

# STAFF OF THE MONTH

## DR.T.R.RANGASWAMY

Professor of Eminence / EIE & Director Sponsored Research

During 1990, I was working in a place called Al Jubail in Saudi Arabia. One day I was relaxing and watching the sky to count the countless stars near the beach. I enjoyed the movement of scintillating stars and saw some of the stars moving with fire and disappeared. After spending some more time, I returned home and slept well. Next day morning there was panic among people around. With great surprise I came to know that what I had seen last night near beach was not stars. It was Iraqi scud missile splashed into the waters of the Arabian Gulf. Further fear and panic was continued and the working atmosphere was spoiled because of war fear. Most of the expatriates started moving towards their country. I am also one among them.

After gaining experience in Power sector companies, I returned from Gulf (thanks to Saddam Hussein former President of Iraq) and I opted to settle in Chennai due to my family circumstance. I was at cross roads, still uncertain of my career path whether to take up job in Industry or Institution.

One fine morning I was introduced to Prof. Peer Mohammed, founder Principal and Director of the Crescent Engineering College through Dr. Mohammed Zakariah who was Vice-Principal & HOD/EEE. What a surprise? Prof. Peer Mohammed stood up and shook my hand. Offered coffee. Enquired about my children. Finally he asked about the purpose of visit. After discussions I was offered a job in the department of EEE and immediately he took one white paper and asked me to submit the joining report. I made up my mind to choose teaching profession and I joined on 12th Nov 1990. A great Professor Peer Mohammed founder Principal and Director of the Crescent Engineering College, that I can honestly say has impacted my life both academically and personally and I will always look at him as a great leader.

In the same institution I had an opportunity to work in various capacities as Lecturer (EEE), Asst-Professor(EEE&ECE), Professor, HOD(IT,ICE&EIE), Dean(Student Affairs), Dean(Academic Affairs) and now continuing as Professor of Eminence/EIE & Director (Sponsored Research)

During my tenure I had the good fortune to interact with the Founder and most of the members of board of management. Special memories like first bike, first car, first job, first salary, first house and first love remain ever green and can never be erased from one's life.

Similarly my first day in crescent, first meeting with Prof. Peermohammed, Dr. BSA(Founder), Mr. Abdul Qadir A Rahman Buhari (Chairman), Mr. M.K. Mohamed Hassan(treasurer), Mr. Khalid A.K. Buhari (Secretary & Correspondent, Crescent School), first coordination of Annual day, Graduation day, Crestech, NAAC, IQAC etc., can never be erased from my mind for ever.

I had an opportunity to work in close association with three Vice chancellors (Dr.P.Kanniappan, Dr.J.A.K. Tareen and Dr.V.M.Periasamy) in this University. All were very cordial and dedicated leaders through them I learnt a lot.

I am thankful to God for having given me a chance to be associated with Alhaj V.N.A. Jalal, Secretary(AIIF) who is my well wisher.

My friendship with my colleagues of this institution is not only a big thing but also it's million little things like diamonds – bright, beautiful, valuable, and always in top place. In EEE dept a friends group called FRANK (Fathima. Rangaswamy, Rajaprabu, Amudha, Najumnissa and Kaja Mohideen.) was created with mutual understanding to help each other and also for

the society. Even after 25 years, this friends group is still today very much active even though Ms.Amudha is no more.

I also wish to mention Dr.Thyagarajan an ideal teacher with unbounded love and affection for students who is my thick friend. We both together coauthored and presented more than 50 research papers in National and International conferences.

I enjoyed every day in this university as if I were only 20 years old forever. Then suddenly as a thunder bolt One day I received a letter from the authorities, informing that I have superannuated. I came to know my actual age only through that letter otherwise still I feel that I am always very young.

I wish to state that all these years, I have enhanced and enriched my knowledge and skills from my contact with seniors, juniors and students as well.

As Dean (Student Affairs), I tactfully handled all issues and instilled a positive attitude among students.

As Dean (Academic Affairs), I have contributed to the development of curriculum& syllabus and thereby scaled up the Teaching -Learning and evolution process.

As HOD(ICE,IT & EIE) I contributed to the development of the departments in both ways academically and administratively. Under my headship, the department of ICE was awarded "A" grade for five years by the NBA committee during my tenure as Prof. & HOD/ICE.

As a NAAC coordinator while officiating as Dean(Academic Affairs), I effectively shouldered the responsibility of consolidating information from all departments for the Self Study Report and the University was accredited by with 'A' grade.

I could achieve all these with the cooperation and support from all quarters. BSAU has been striding forward with remarkable success and I am happy to be associated in the success. Good sense of humour helped me to earn respect and popularity in peer group of BSAU because in my house I'm the boss but wife is just a decision maker.

Our students are proud of graduating from this prestigious Crescent University and they make our University proud of having prestigious alumni.

# ALUMNI - MY WALL

## A UNIQUE INITIATIVE BY THE UAE CHAPTER

In November 2016 - Our UAE / GCC Chapter launched a new concept called 'My Wall' . The aim of this initiative is to understand more about Alumni members in the Association and what benefits can be shared . The " My Wall" Poster with the information about an Alumnus covering the following details would be shared on a weekly basis in all the BSA Crescent University Alumni WhatsApp groups in GCC Chapter, other Chapters globally and the Parent Alumni Association Newsletter.

1. Name, Batch, Branch and other Educational Qualifications.
2. Current Job, Roles & Responsibilities and Contact details.
3. His / Her - Job / Employment History or Business Details in case of an Entrepreneur.
4. What he can give / share with others and what he expects from the others.
5. His Passion and Hobby

This My Wall initiative has received great response and appreciation from the Alumni members.

### My Wall -17

### Udhaya Kumar Pagadala (# 017)

BE – CIVIL, BATCH – 1993

MSC - Trained in advance level of Human behavioral therapy.  
PMP certified.

Current Job Position: Sr. Project Manager with Shapoorji pollonji ME, Dubai, UAE

Job Role: Project Management.

Also Partnership in Healing center; training clients on behavioral patterns, Organizing corporate trainings, personality development for Kids & Adults.

Contact Numbers : 00971 56 509 7674

Email: udhay\_dec@yahoo.com

#### Employment History / Entrepreneur / Own Business/ Investments :

- ❖ Military Engg. Serv, Chennai, India 1993-1998
- ❖ Alwaha EST, Doha, Qatar.- 1991 – 1998
- ❖ HSBC Bank Middle East – 1998 -2003
- ❖ Arabtec, Shapoorji pollonji, Dheeraj & East coast, Dubai, UAE – 2003 – Till Date
- ❖ Partnership in Training center for training on behavioral patterns, corporate trainings, personality development for Kids & Adults. Dubai, UAE – 2015 – till date.

#### What Can I Give to Others :

- ❖ I can give leads & referrals relating to Building material suppliers, Contractors in all fields.
- ❖ Self empowerment trainings for individuals, family & children.
- ❖ Managing Alumni Support Functions

#### What Do I Expect From Others:

- ❖ Leads & referrals for Training in Corporate, Business Soft skills, Self empowerment for Women, Personality development for Kids & Adults & one-on- one Healing sessions.
- ❖ Working Together for Business Benefits

Passion : Learning, Training.

Hobby : Cricket, Movies, Talks, Meditation.

## My Wall -18

### MR. NISHAD ANWER

BE – EEE– 1994

**Current Job Position: HEAD OF SALES AND MARKETING  
ARAB GULF PEARL TRADING ESTABLISHMENT.**

**Job Role: SALES AND MARKETING of Electrical- Distribution and Transmission,  
Telecom Equipment .**

**Contact Numbers : 00971504996096**

**Email: nishad.anwer@gmail.com**

#### Employment History / Entrepreneur / Own Business / Investments :

- ❖ Emirates trading Agency (ETA –Power Projects Division) -1994 to 1998
- ❖ BinGhalib Switchgears – 1998 to 2002
- ❖ Arab Gulf Pearl Trading Establishment– 2002 Till date
- ❖ Partner in M/s Global Reach Electromechanical LLC - Trading in Electrical, Mechanical, Civil, Telecom ,Safety equipment, Tools and machinery supplies to the MEP, Maintenance and Oil & Gas Sector.

#### What Can I Give to Others :

- ❖ Sharing information about projects in MEP and oil and Gas to the alumni in the same field of Sales.
- ❖ New Entrepreneurs Mentoring & Business Collaborative Works

#### What Do I Expect From Others:

- ❖ Business and Procurement Supports
- ❖ Working Together for private business Benefits
- ❖ Supports on Alumni Functions

**Passion : Net Working, New Business Ideas,**

**Hobby : Table tennis and cricket, Fitness activities and music.**

## ADVERTISEMENTS

Alumni are encouraged to promote their companys product(s) or service(s) on this page at the following attractive tariff options:

Description	Cost	
	INR	USD
Quarter Page	3000	50
Half Page	5000	100
Full Page	10000	200

**For Alumni Start - Ups  
(in the first 3 years of  
operation)**

**Half Page - Free  
3 times in a year**

# DEPARTMENT CIVIL ENGINEERING

## DEPARTMENT

### About the Department

The Department of Civil Engineering started in the year 1984 is one of the oldest departments of B.S. Abdur Rahman Crescent University. The department offers B.Tech. in Civil Engg., M.Tech. Programme in Structural Engineering and Construction Engineering & Project Management besides offering Ph.D. programme in various disciplines of Civil Engineering. From the Academic Year 2016-17, M.Tech. programmes are also offered for working professionals under Part time mode. All the B.Tech. and M.Tech. Programmes are accredited by National Board of Accreditation (NBA).

### SALIENT FEATURES OF THE DEPARTMENT

- ★ 33 Highly qualified, well experienced and dedicated faculty from different disciplines of Civil Engineering.
- ★ Eight faculty members with Ph.D. qualification, eighteen members pursuing Ph.D. and seven with PG degree.
- ★ Well equipped laboratories for academic and research purpose.
- ★ Exclusive Computer laboratory for UG & PG students.

### RESEARCH ACCOMPLISHMENTS

The department has research projects funded by DST - SERB & Ministry of Earth Sciences for research on “Seismic Retrofitting of Prestressed Concrete Beams Externally Bonded with Fibre Reinforced Polymer Composites” and “Seismic Performance of FRP Confined Steel tube in-filled Concrete Columns” worth Rs. 45 lakh.

### Thrust Areas of Research

- ★ Polymer Modified Mortar / Concrete for Repair and Rehabilitation of Distressed Structures.
- ★ Anticorrosive Coatings for Corrosion Control of Steel Rebars used in Concrete

- ★ Energy Efficient Buildings
- ★ Soil Pollutant Interaction and Ground Water Contamination modeling
- ★ Application of GIS in Civil Engineering
- ★ Transportation Modeling using GIS
- ★ Seismic strengthening of structures using FRP composites
- ★ Behaviour of Steel concrete composite members (Beams, Columns and Beam-Column joints).
- ★ Advanced Water treatment methods

## RECENT STUDENT ACHIEVEMENTS

**Ms. K. Suganya Devi**  
Received the award for Best poster presentation & Oral Presentation

State Level Student Projects Seminar Cum Exhibition, Tamil Nadu State Council for Science and Technology, Chennai

**Mr. N. Vishwanathan**  
Received the first prize for Oral Presentation

State Level Student Projects Seminar Cum Exhibition, Tamil Nadu State Council for Science and Technology, Chennai

**S. Sanju,**  
Received the best Paper award

International Conference on Earth Sciences and Engineering, 17-18 June 2016

Construction of Affordable house using GFRG panels

- ★ Mr. Muhammad UzairDulvi, Mr. Mir Hasnain Ali Razvi and A. Mohamed Asir (Final year B. Tech. students) along with a faculty member filed a provisional application for grant of patent for their innovation titled "Innovative Thermal Insulation Technique for Flat Roofs". (March 2017).
- ★ B.Tech. Students Mr. N. Mohammed Rayyan, Mr. C. Jeelan Basha (2012-16 Batch), Mr. Muhammad UzairDulvi and Mr. Mir Hasnain Ali Razvi (Final year) involved in the Construction of Affordable Housing using GFRG (Glass Fibre Reinforced Gypsum) Panels under Rapid Wall Construction Technique in the BSAU Campus. The 550 sq.ft. model house was successfully completed in 45 days at a cost of Rs. 5.50 lakh. (June 2016)

- ★ C. Manikandan, G. Dhivya Lakshmi, A. Amritha of Final Year has won the first Place for their project "Earthcrete and Cob as alternate building materials" in the ANVESHAN - ALL INDIA Research Convention, conducted by the Association of Indian Universities (AIU) at "S V Patel University", Anand, Gujarat during March 28-30, 2016.

- ★ Mr. N. Mohammed Rayyan, Mr. Mohammed Azlan Jan, Mr. Mohammed Ismail Afraz and Mr. C. Manikandan of IIIrd year B.Tech. Civil Engineering participated in the finale of India's Biggest Civil Bridge Design Contest (IBCC 2015) held at IIT, Mumbai and finished in 6th place by competing with 450 teams from all over India, during April 2015.
- ★ Ms. N. Niraimadhi, II Year M.Tech. Structural Engineering student received a project grant of Rs. 10,000 from Tamilnadu State Council for Science and Technology, Chennai (2016-2017) for the project on "Application of Nano Particles in Green concrete for Sustainable Built Environment."

- ★ Ms. M. Rajalakshmi, II Year M.Tech. Structural Engineering student received a project grant of Rs. 10,000 from Tamilnadu State Council for Science and Technology, Chennai (2016-2017) for the project on "Seismic Retrofitting of Exterior Beam Column Joint using Ferrocement Jacketing."

- ★ Mr. N. Sathish Kumar, II Year B. Tech. Civil Engineering has been awarded the STAR OF INDIA in the 62nd Junior National Ball Badminton Championship for boys held at Telenganna on 12th February, 2017.

## VALUE ADDED COURSES

The department offers courses on latest software such as Primavera, MS Project, E Tab, BIM, Rivet etc.

## INDUSTRY – INSTITUTE INTERACTION

- ✓ Affiliate faculty from industry
- ✓ Resource persons from industry for guest lectures, workshops and conferences.
- ✓ Inter institutional collaborative projects
- ✓ Inclusion of members from the industry in the board of studies
- ✓ Faculty visits to other laboratories/ industries in India and abroad.
- ✓ Industry Institute Meet
- ✓ Students Project Work in industries
- ✓ Training Programme to industry
- ✓ Industrial visits

## DEPARTMENT ACTIVITIES

International Conference on Innovative Technologies for Sustainable Built Environment -ITSBE'17

Workshop on Urban Disasters -Nature's Fury or Human Negligence,2016

Workshop on Impact of Climate Change on Durability of RCC Structures (ICCDRS'16)

Workshop on "Innovative Concepts for Seismic Response Control of Structures", ICSRCS-15

## CONSULTANCY ACTIVITIES

Rehabilitation of Nalvar Mandapam, Karanthai, Tanjore

Condition Assessment of Crescent Matriculation H.S.School, Nungambakkam.

Renovation & Extension works, Jamia Masjid, Royapuram, Chennai

- ✓ Testing of Construction Materials.
- ✓ Strength of Concrete Cubes, Hollow blocks, Solid blocks, Slab panels and Beam Members.
- ✓ Mix Design of Concrete.
- ✓ NDT test on RCC elements.
- ✓ Condition Assessment of Buildings
- ✓ Soil Testing
- ✓ Water and Waste Water Analysis
- ✓ Design of Water and Sewage Treatment Plants
- ✓ Repair & Rehabilitation works
- ✓ Application of GIS

## ENTREPRENEURSHIP OPPORTUNITIES

Civil Engineering Students are permitted to start up a new company through entrepreneurship programme supported by the university to develop a product and market it.
