NEWS LETTER | ISSUE 17 |
31ST DECEMBER 2020

Message From The President

Dear Alumni,

Greetings for the day from the Alumni Association!

Unlike the past, 2020 would be a year most would like to forget. We only wish that we do not experience such hitherto!

We all are lucky to survive. However around 1.8 Million have left this planet never to return again. Our prayers in the first place for those departed souls. To all those who have lost friends, near and dear ones – our prayers to give you the courage to bear the irreplaceable loss. Do reach out for any help. We would be glad to assist you.

Some say, there is always a good in the bad too. Despite burning holes in our pockets, this year has taught us LIFE VALUES – the power of wisdom, creativity, responsibility, collaboration and much more. Many of us have seen overall improvement in our traits. We are sure that these gains would immensely help us tide over difficulties and bring in happier days.

This newsletter is specifically to THANK YOU – All those who have contributed to our new Initiatives viz. COMPASSION FUND and ZAKAT FUND. We are overwhelmed by your support and wish to place on record our appreciation to each of you. Details are published inside for your ready reference.

Our sincere thanks to all our OVERSEAS CHAPTERS for the unflinching support to the parent association and the mighty contributions from them for the above funds.

WISHING YOU ALL A VERY HAPPY, HEALTHY AND PROSPEROUS 2021

With Warm Regards

R.Seshadrinathan
